Commissioner for Patents
Washington, D.C. 20231

RESPONSE TO NOTICE OF MISSING PARTS

Dear Sir:

In response to the February 25, 2002 Notice to File Missing Parts, Applicants enclose a copy of a signed oath or declaration. Applicants direct that the small entity surcharge fee of \$65.00 be charged to Deposit Account 17-0055 as indicated by the enclosed fee payment sheet.

The Notice to File Missing Parts indicates that the requirements of 37 CFR 1.821-1.825 have not been addressed. Applicants assert that there is not sequence information presented in the above-identified application. Applicants' attorney, Zhibin Ren, spoke to Mr. Walker from Customer Service on March 13, 2002. Per this conversation, it was determined that no sequence

listing needed to be submitted for the above-identified case, so Applicants consider this requirement to be moot.

The Notice to File Missing Parts also indicated that substitute drawings in compliance with 37 CFR 1.84 should be filed. Applicants have submitted new drawings.

Applicants direct that any further fees be charged to Deposit Account 17-0055.

Respectfully submitted,

Michael N. Gould, et al.

April 25, 2002

Date Mailed: 02/25/2002

NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a)

- The oath or declaration is unsigned.
- To avoid abandonment, a late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(l) of \$130 for a non-small entity, must be submitted with the missing items identified in this letter.
- **The balance due by applicant is \$ 130.**

The application is informal since it does not comply with the regulations for the reason(s) indicated below.

The required item(s) identified below must be timely submitted to avoid abandonment:

- Substitute drawings in compliance with 37 CFR 1.84 because:
 - drawing sheets do not have the appropriate margin(s) (see 37 CFR 1.84(g)). Each sheet must include a top margin of at least 2.5 cm (1 inch), a left side margin of at least 2.5 cm (1 inch), a right side margin of at least 1.5 cm (5/8 inch), and a bottom margin of at least 1.0 cm (3/8 inch);
- This application clearly fails to comply with the requirements of 37 C.F.R. 1.821-1.825. Applicant's attention is directed to the final rulemaking notice published at 55 FR 18230 (May 1, 1990), and 1114 OG 29 (May 15, 1990). If the effective filing date is on or after July 1, 1998, see the final rulemaking notice published at 63 FR 29620 (June 1, 1998) and 1211 OG 82 (June 23, 1998). If the effective filing date is on or after September 8, 2000, see the final rulemaking notice published in the Federal Register at 65 FR 54604 (September 8, 2000) and 1238 OG 145 (September 19, 2000). Applicant must provide an initial computer readable form (CRF) copy of the "Sequence Listing", an initial paper or compact disc copy of the "Sequence Listing", as well as an amendment directing its entry into the application. Applicant must also provide a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d). If applicant

05/07/2002 KZEBDIE 000000032 170055 10014724
01 FC:205 65.00 CH

desires the sequence listing in the instant application to be identical with that of another application on file in the U.S. Patent and Trademark Office, such request in accordance with 37 CFR 1.821(e) may be submitted in lieu of a new CRF.

For questions regarding compliance to these requirements, please contact:
